**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. The only power I have to push back if my provider is to go to their competition. Competition makes business try harder to serve their customers, and keeps them from holding me hostage. Please support our freedom to choose the best service, whoever is providing it.
